

Minutes of Meeting of MHF (Atlanticville)
15 April, 2018
3.00 p.m.

Objective: To address as best as practicable concerns raised by Tenants.

Chairperson: Dr. Godfrey McAllister

Main matters arising:

- To write Mayor & City Council about rodent vector treatment/control.
- Garbage bins to be kept covered at all times and an additional bin be made available.
- Regular maintenance of water tanks and reservoirs.
- Weeding and cleaning of drains frequently.
- Research to be done on cost, etc. for Security Guard/Security Camera.
- To erect a 'NO TRESPASSING' sign in the yard and to identify the area where the key for the emergency door is kept, by maybe red paint.
- To erect a Notice Board.
- To check on cost, etc., for Internet service.

Tenants were reminded that they all have a responsibility when it comes to sanitation. They were advised to dispose of garbage properly daily.

Tenants who are policemen were encouraged to play a part in the security of the premises.

The importance of communication was highlighted using whatever means such as email, etc.
